

Natashua Coetzer

Partner

Natashua, a partner at Alchemy, provides expertise to the firm's corporate and commercial law disciplines among others. Her proficiency extends across a number of industry sectors. Before joining Alchemy, she was a director of a boutique law firm focusing on corporate and commercial law, including mergers and acquisitions.

Practice focus

Natashua is passionate about mergers and acquisitions. This includes advising clients, composing and structuring documentation and managing the entire transaction life cycle from cradle to grave. Her experience also includes various commercial contracts, corporate and company law, corporate governance, competition law, black economic empowerment and regulatory work.
